

HARSHIT HARISH JAIN

Mr. Harshit H. Jain heads the Liabilities Management division in the Wholesale Banking group at Emirates NBD, prior to which he headed the Liabilities and Transactional Banking division in the Corporate & Institutional Banking group at National Bank of Dubai (NBD). He had been instrumental in the setting up of this division which sought to grow corporate liabilities at the Bank, help ring fence and leverage the Bank's existing and new customer relationships through product penetration and help grow non-funded fee income.

Prior to joining NBD in May 2006, he worked for over 10 years with Standard Chartered Bank, UAE where he played a key role in the setup of their highly successful Transaction Banking business. Harshit started his career with Wipro Information Technology, Bangalore in Jan 1985. He began his banking career with Bank of America, India (Mumbai and Chennai) in May 1987 wherein he took up roles of increasing responsibilities in the India Systems Group, Transaction Banking Operations and Global Payment Services.

Academic Background:

An MBA from India's premier management institute, Indian Institute of Management, Ahmedabad in 1987 and a Computer Science graduate from one of India's premier engineering colleges, Birla Institute of Technology and Science (BITS), Pilani in 1984.
